**Men's and Women's Lunch Presents Representative
Donna Howard
Wednesday, October 20 at Noon**

Fresh from the recently-ended 87th session of the Texas Legislature, House of Representatives District 48 Representative Donna Howard has graciously agreed to share with CCV members her insights on what goes on inside our lovely state capitol building. Our Texas Legislature has certainly been much in the news of late. We have asked Rep. Howard to comment on the legislative process, what it is like to work with her colleagues on both sides of the aisle, her personal legislative objectives and successes, and how she sees the legislature affecting life in Texas in coming years.

Thank You!

From Jimmie J: I recently had an eye appointment that would involve dilation so I would have to sit and wait an hour or two before being safe to drive home. A CCV Member/Volunteer graciously dropped me off at the office building and returned when I called that I was through. Curb to curb service with a smile! We are a "Village" but if you get to know the members who live near you, it becomes even more than just a virtual village! Another Member/Volunteer came to treat and paint the stain caused by a roof leak inside one room that was an eyesore! Thank you Capital City Village!
